REMARKS

This Preliminary Amendment amends original Claims 3-4, 6, 8-9, 12-16 and 18 to produce new amended claims that are not multiply dependent in order to reduce official fees. Once examination on the merits has begun, the Applicant may elect to amend currently amended Claims 3-4, 6, 8-9, 12-16 and 18 to make these claims multiply dependent or to add additional claims to this application to provide coverage similar to, broader than, or narrower than the present claims.

The claims and abstract have also been amended to remove the reference numerals in accordance with standard U.S. practice.

Amendment of the subject application is respectfully requested.

Respectfully submitted,
